

a hermit has no plural

## Table of Contents

in vain

about to decide

the noontide and the chemist

cemetery at River Savannah

chairs

abide

I'm not here you only imagine me

path

forge or subdue

whose face it is

it cares not

that is your own

it has nothing to do with ...

script

stuck in an elevator

enviable death

the snake is back

between

vanity chimes in vain

retuning a broken keyboard

rendering the view

blades of fire eaters

capitative knowledge

somewhere between

wouldn't it be so nice without me

transparent ink

the shadow and the trigger

what is still hiding there

at the airport

fly

the promise of pain is the language of cabbala

chrysalis

while you were around

tale

totem

adjustment to the environment

lust

greeks

that what...
